Wednesday, April 25th
Classes
Last High School

Mission Trip

We are going to Huntingburg, IN July 16-22, 2018. I have a few spots available but we will be joining forces with United Methodist this year and so those spots should be filled bringing our total participation to 42 people including 35 youth and 7 chaperones!

We have fundraised very well so far but still have a few fundraisers scheduled and a few more to get on the calendar!

Don't forget our Pizza Fun Nights with Little Italy's! They are 4-8:30 on the second Wednesdays of each month- next one is February 14th- Ash Wednesday!

Youth Group Fun Night!

We will get back on track with our Youth Group Nights in March! The next one will be Wednesday, March 7th from 6:30-8:00pm. This is for all 7th-12th graders! Dinner will be provided and a Sign-Up Genius email will go out as the event approaches!

February PSR Newsletter

Family Fun Night!

We will have our next Family Fun Night on Wednesday, February 28th from 5:30-8:00pm! The dinner will be a potluck with the main course being fried chicken!

Please bring a side dish to share and we will have a craft related to Lent and Easter!

Please RSVP by Monday, February 26th so that the correct amount of fried chicken is ordered! Thank you!

Stations of the Cross

We are going to do something different this year for the PSR Stations of the Cross! During each session on March 21st the children will join Mrs. Frericks and their teachers in the church. Instead of walking the Stations we will sit at the alter and volunteers will read each Station! We will take a moment to talk about each one and at the end the children will have a chance to share how reading the Stations made them feel. Parents feel free to join!

How to Stay Informed

We will no longer have a PSR page in the bulletin. You can always stay informed by checking the bulletin for major events, looking at the bulletin boards in the Narthex and PSR Hallway, checking the website: www.macoupincatholicchurch.com, and of course contacting Jennifer Frericks!

The website will also have monthly newsletters from each classroom so check out the website to see what the happenings are in each of the classroom! There are some great things going on!
