Fall Family Fun Night

Mark your calendars for the Fall Family Fun Night! It will be Wednesday, October 11th from 5:30-7:00pm. This will be in place of all PSR classes for the evening. We are hoping that we can get the families even more involved in the catechism of our youth. So, a few times through the year we will host an event like this.

October's Family Fun Night will be focused on the season of Fall and Halloween and their ties to our religion!

We will begin the evening with a potluck dinner, followed by a lesson on the topic, and then a craft that each child can do with their parents. All supplies will be provided!

Please RSVP for the Event by Monday, October 9th and be sure to bring a side dish or dessert of your choice to share!
