Registration

Our first class will be Sunday, September 10th. Our classes are from 9:15-10:15am.

Registration papers are available in the back of the churches this week. If you need me to email you the forms please let me know! Please be sure you have one for each child and that each child has both a registration form and consent form filled out completely.

Assistants Needed!

With our unique teaching set up for Chance Reiniesch I am looking for 1 or 2 more assistants in the 7th and 8th grade room. These assistants would rotate weeks with Mary Newman and also cover classes that Chance is unable to teach due to absence. Each assistant must be 18 or older. Your responsibility would be more of a chaperone for Chance the weeks he is there as he is under 18, but also to help facilitate conversations and assist in anything Chance needs! I am very excited to have a young person take over and I look forward to hearing from any interested adults!
