Mrs. Frericks Maternity Leave

It is fast approaching! A c-section is scheduled for January 10, but as everyone knows you can't always plan on that to fall into place. Plans are being made and substitute teachers are all in place. During my absence still please contact me if you need anything!

December 20th

We are hosting an Our Lady of the Snows Trip but for those unable to attend that trip we will have activities here at the church. Attendance to one of the events is expected as part of the attendance for the year!

- K-4th Grade: St. Nicholas Movie Night
- 5th-8th Grade: Night of Service with the Decorating Committee
- High School: We are undecided at the moment on whether to meet or not with finals being the next day- stay tuned for the final decision.
