

High School Newsletter

January 2018

What we have been doing and plan to do!

Rick Verticchio and Lige Daley talked to the high schoolers about the Nativity and Epiphany. The kids had a lot of great things to say about what they learned.

Over the rest of January, we talked about the books of Exodus, Leviticus, Numbers, Deuteronomy, and Joshua. These books focus a lot on Moses, the Exodus, and what happened in the years to follow. Very interesting books!

In the month to come we will focus on the Gospels with lectures by Rick Verticchio. The rest of the month is filled with the Mardi Gras Party, a Lenten Family Night, and Ash Wednesday.

Parents:

We are really diving into the Bible- this is a great opportunity to talk to your youth about what they have learned!

Always encourage your high schooler to attend church with you on Sundays and remember that Lent is fast approaching! What are you going to do as a family to prepare!
