PSR KINDERGARTEN NEWS
January and February, 2018*

- For January and February, our PSR friends will be discussing Prayers of the Rosary and Lent (and more about the difference between Advent and Lent).
- Our friends are practicing their manners with good listening and participation skills. We visit the sanctuary each week to discuss various aspects of the Mass and church. Students are allowed to sit and walk up close to parts of the church we normally see from the pews. We sit around these parts, holding question and answer sessions. Then we go back to class and continue learning with an abc extension activity related to our discussion. Afterwards, we practice The Lord's Prayer, The Hail Mary, and The Glory Be, share a poster story with a magazine activity, an art activity or prayer center time, when we share our worries. We try to end each lesson with a Bible song and dance time!
- Students and I will continue to discuss Jesus' parables through bible discussions in our Catholic Children's Bible, from St. Mary's Press Publications.
- Each Wednesday, I will no longer provide a reward treat or certificate for students who attend Mass - students will all be rewarded equally through weekly crafts and activities we do together!
- Thank you for sending your child to learn with me each week!
