

Kindergarten Newsletter

January 2018

Kindergarten has been up to!

We spent December talking about Advent and Christmas! We have also been learning about Jesus' life and how he helped and cared for others! Our favorite story is the story where Jesus feeds the large group of people with just a few loaves of bread and fish. We even made our own basket of fish and loaves of bread. We talked about how we can be kind and helpful to others.

Coming Up!

In the weeks to come we will be learning about Lent and Easter!

Parents!

Please work on the Our Father and the Hail Mary at home too!
